Notice to whom it may concern:

The Waste Management amended application for approval of an infill “wedge” addition (see diagram below) to the existing High Acres Landfill on Perinton Parkway has been a pending item before various Perinton Town Boards. Since last summer, the Perinton Conservation Board has been reviewing the application, the SEQR Final Environmental Impact Statement findings made by NYS DEC and all public comments on this application. They are now releasing their report and recommendations (which follow). With this report, the matter is now ready to be considered by the various boards.

The schedule for these considerations is as follows:

<u>Board</u>	<u>Purpose</u>	<u>Date and time</u>	<u>Location</u>
Perinton Conservation Board	Review of their report	March 18, 2008 7:30 PM	Court Room Perinton Town Hall
Perinton Zoning Board of Appeals	Consideration of Permit Application	March 24, 2008 7:30 PM	Board Room Perinton Town Hall
Perinton Planning Board	Consideration of Site Plan Approval	April 2, 2008 7:30 PM	Board Room Perinton Town Hall
Perinton Town Board	Consideration of LDD/on-site wetland mitigation application, discussion of Host Community Agreement	April 9, 2008 8:00 PM	Board Room Perinton Town Hall

The public is welcome to attend any of the above meetings.

Yours,

James E. Smith
