Property Address:

Estimated Cost:

Electric Service Info:

Voltage

Amperage

Phases

**Overhead or
Underground**

Utility

**RG&E Work Request
Number:**

Is a disconnect/reconnect request required by RG&E?

Yes

No

1. Complete the above information.
2. The building permit card must be available to the inspector for all inspections.
3. Contact FMC (Fairport Electric) at 585-223-9500 or RG&E 743-2110 to schedule a disconnect/reconnect of the electric service followed by contacting the Code Enforcement and Development Department at 585-223-0770 to schedule an electric inspection.
4. When the Code Enforcement and Development Department passes the electrical inspection a Certificate of Compliance will be issued by the inspector as indicated on the permit card.

It is the responsibility of the property owner to verify all inspections have been completed.

5. See the current Town of Perinton fee schedule at www.perinton.org or visit the Code Enforcement and Development office in the Town Hall.
