

Facility Locker Rooms

- All families are encouraged to use the family locker room. Children ages 6 and over must go in their gender specific locker room or family locker room. Children under 6 may accompany an adult in the opposite gender locker room.
- Absolutely no cell phone or camera use. 
- No food is permitted in the locker room. 
- Locker room doors must remain closed.
- Please use caution, floors are slippery when wet.
- Locking your locker is strongly suggested. If you forgot your locker, there are padlocks for rent at the downstairs desk.
- Lockers are not for overnight use. Belongings must be removed from the locker when you leave for the day.

Thank you!
